LAST AMENDED
4/22/2009

The following regulations on permitted and required accessory off-street parking spaces and accessory bicycle parking spaces are adopted in order to provide needed space off the streets for parking in connection with new residences, to reduce traffic congestion resulting from the use of streets as places for storage of automobiles, to protect the residential character of neighborhoods, to provide for a higher standard of residential development within the City and thus to promote and protect public health, safety and general welfare.
