26-12 - General Purposes of Sections 26-13 through 26-15

LAST AMENDED
12/5/2024

In harmony with the general purposes and intent of this Resolution and the general purposes of Section 26-11, the regulations of Sections 26-13 through 26-15, inclusive, are intended to:

(a) guide the location of arcades to assure horizontal continuity of developments with existing building arcades and to maintain visual continuity at street level;

(b) require transparency and/or articulation of front walls to improve the visual quality of the street; and

(c) improve the quality of the street environment.
