In all districts, as indicated, all #accessory# bicycle parking spaces shall be provided on the same #zoning lot# as the #building# or #use# to which such spaces are #accessory#, except as provided in Section 25-84 (Off-site Bicycle Parking Spaces).

All enclosed #accessory# bicycle parking spaces shall be surrounded on all sides by a solid enclosure, except where a parking garage is open at the sides, and covered by a roof for weather protection. Each bicycle space shall adjoin a rack or similar system for securing the bicycle. Bicycle parking spaces shall be located in an area secured by a lock or similar means, or adjoin a securely-anchored rack to which the bicycle frame and at least one wheel can be locked. Fifteen square feet of area shall be provided for each bicycle space. However, the area for each bicycle space may be reduced by up to nine square feet per bicycle if the Commissioner of Buildings certifies that a layout has been submitted to adequately accommodate the specified number of bicycles.

A plaque shall be placed at the exterior of the entry to the bicycle parking area, outside any locked door, with lettering at least three-quarter inches in height stating "Bicycle Parking."

For colleges, universities or seminaries, one-half of required enclosed #accessory# bicycle parking spaces may be provided as open unenclosed spaces, provided that such spaces meet the standards of paragraph (b) of Section 25-812 (Unenclosed bicycle parking spaces).

All bicycle parking spaces which are #accessory# to #residences# shall be made available for the storage and independent access of the bicycles used by the occupants of such #residences#.

All required bicycle parking spaces which are #accessory# to a #community facility# #use# shall be made available for the storage and independent access of the bicycles used by the employees of such #use#, except that bicycle parking spaces #accessory# to colleges or universities shall be accessible to all authorized users of such #building#, and that bicycle parking spaces #accessory# to community facilities with sleeping accommodations may be accessible to the occupants of such facility.

Bicycle spaces may be located in a room secured by a lock or similar means, provided that access is through a commonly accessible area and access is made available to eligible users on an equal basis.
