26-26 - Modification and Waiver Provisions

LAST AMENDED

2/2/2011

- (a) The City Planning Commission may, by authorization, allow modifications to, or waivers of, the requirements of Sections [26-20](#) through [26-27](#), inclusive, provided that:
- (1) such modifications or waivers will enhance the design quality of the #zoning lot#;
 - (2) any decrease in the required width of the paved road bed is in conjunction with a superior parking plan that would not be feasible with a wider road bed; and
 - (3) any decrease in the required width of the paved road bed will result in the preservation of existing natural features or a superior landscaping plan that would not be feasible with a wider road bed.

No modification or waiver may be granted which would waive or decrease the width of the paved road bed to less than 34 feet.

- (b) The City Planning Commission may, by authorization, allow modifications to, or waivers of, the requirements of Sections [26-20](#) through [26-27](#), inclusive, for #zoning lots# within the #Special South Richmond Development District#, that:
- (1) contain #designated open space# and a portion of the #waterfront esplanade#, where such #zoning lots#:
 - (i) have been granted an authorization pursuant to Section [107-65](#) (Modifications of Existing Topography) within one year prior to February 6, 2002; or
 - (ii) are conditioned upon a restrictive declaration that has received a minor modification by the City Planning Commission; or
 - (2) are located wholly or partially within Area M and have filed an application for an authorization pursuant to Section [107-69](#) (Residential Uses in Area M) within one year prior to February 6, 2002; or
 - (3) have been granted authorizations pursuant to Section [107-64](#) (Removal of Trees) and [107-65](#) and are located on a #zoning lot# where a change in the City Map has been approved within three years prior to February 6, 2002, and where certified copies of the alteration map for such change in the City Map have not yet been filed in accordance with Section 198, subsection (c), of the New York City Charter, as of February 6, 2002.

In order to authorize such modifications or waivers pursuant to this paragraph, (b), the Commission shall find that such #zoning lots# will be #developed# pursuant to a good site plan, and that adequate access to all #dwelling units#, adequate parking spaces located outside of the roadbed of the #private road#, adequate spacing of all curb cuts and adequate landscaping will be provided.
