In all districts, as indicated, the requirements set forth in Section 36-62 (Required Accessory Off-street Loading Berths) shall not apply to any #building# or #zoning lot# as to which the Commissioner of Buildings has certified that there is no way to arrange the required berths with access to the #street# to conform to the provisions of Section 36-662 (Location of access to the street). The Commissioner of Buildings may refer such matter to the Department of Transportation for report and may base a determination on such report.
