22-223 - Signs for parking areas

LAST AMENDED
12/5/2024

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10 R11 R12

One #sign#, with an area not exceeding two square feet, designating each entrance to or exit from an off-street parking area, open or enclosed, is permitted. No such #sign# shall be higher than seven feet above #curb level#.

In addition, an off-street parking facility that contains #car sharing vehicles# may provide #signs# that in the aggregate total no more than two square feet in area identifying organizations that have #car sharing vehicles# available at such parking area. No such #sign# shall be located higher than seven feet above #curb level#.
