Sideya Sherman, Chair

21-11 - R1 and R2 — Single-Family Detached Residence Districts

File generated by https://zr.planning.nyc.gov on 11/23/2026

21-11 - R1 and R2 — Single-Family Detached Residence Districts

LAST AMENDED
12/5/2024

These districts are designed to provide a suitable open character for single-family detached dwellings at low densities, as well as all types of residences in appropriate locations. These districts also include community facilities and open uses that serve the residents of these districts or benefit from an open residential environment.
