## 13-453 - Additional parking spaces for economic development uses

---

LAST AMENDED

5/8/2013

The City Planning Commission may permit a parking facility listed in paragraph (a) of Section [13-45](#) (Special Permits for Additional Parking Spaces), where such parking facility serves the parking needs of a non-#residential use# not otherwise listed in paragraph (a) of Section [13-452](#), provided that, in addition to the conditions and findings set forth in Section [13-45](#), the Commission shall find that:

- (a) the proposed parking facility is in close proximity to or on the same #zoning lot# as a #commercial# #use#, #community facility# #use# or #manufacturing# #use# that is of significant importance to the economic well-being of the City of New York;
- (b) an increased number of permitted off-street parking spaces in such proposed parking facility is essential to the operation of such #use#; and
- (c) reasonable measures to minimize parking demand have been identified. For existing or #enlarged# #uses#, such measures shall have been implemented, where feasible, prior to application, and a commitment by the applicant shall be made, in a form acceptable to the Commission, to continue and, where necessary, improve upon and supplement such measures. For new #uses#, such measures shall be committed to in a form acceptable to the Commission.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
