LAST AMENDED

The “Special Hudson River Park District” established in this Resolution is designed to promote and protect public health, safety, general welfare and amenity. These general goals include, among others, the following specific purposes:

- (a) to facilitate the repair and rehabilitation of piers, bulkheads and infrastructure within Hudson River Park, and to facilitate their maintenance and development, through the transfer of development rights within the Special Hudson River Park District, given that commercial development is limited by the Hudson River Park Act;
- (b) to promote an appropriate range of uses that complements Hudson River Park and, to the extent housing is included, to serve residents of varied income levels;
- (c) to establish criteria for any and all transfers of air rights from the Hudson River Park to inland areas; and
- (d) to promote the most desirable use of land and development in this area and thus to conserve the value of land and buildings and thereby protect the City’s tax revenues.
