73-43 - Reduction of Parking Spaces

File generated by <https://zr.planning.nyc.gov> on 9/5/2025

73-43 - Reduction of Parking Spaces

LAST AMENDED

12/5/2024

73-431 - Reduction of parking spaces for places of assembly

LAST AMENDED

12/5/2024

In all #Commercial# and #Manufacturing Districts#, the Board of Standards and Appeals may permit a reduction in the number of #accessory# off-street parking spaces required under the provisions of Sections [25-31](#), [36-21](#) or [44-21](#) (General Provisions) for #uses# in parking requirement category B1 whenever such #uses# are located on the same #zoning lot# as other #uses#, proportionate to the extent that the Board finds that:

- (a) the spaces #accessory# to such other #uses# will remain available for #use# by persons visiting the place of assembly during the entire period that such place of assembly remains in #use#; and
- (b) in accordance with submitted schedules of the times of operation for all #uses# on the #zoning lot#, there will be no conflict in the use of such #accessory# off-street parking spaces, and that the provision of the full quota of required off-street parking spaces for places of assembly is therefore not needed. The permit to reduce such spaces shall be automatically revoked whenever there is a change in the nature of the conditions upon which such reduced requirements were based, including changes in #use#, availability of spaces or hours of operation.

73-432 - Reduction of existing parking spaces for income-restricted housing units

LAST AMENDED

12/5/2024

For #zoning lots# within the boundaries shown in Appendix I with #buildings# containing #income-restricted housing units# in receipt of a certificate of occupancy prior to March 22, 2016, the Board of Standards and Appeals may permit a waiver of, or a reduction in, the number of #accessory# off-street parking spaces required for such #income-restricted housing units# prior to March 22, 2016, provided that the Board finds that such waiver or reduction will:

- (a) facilitate an improved site plan;
- (b) facilitate the creation or preservation of affordable housing, where a #development# includes new #residential floor area# on the #zoning lot#;
- (c) not cause traffic congestion; and
- (d) not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#.

Factors to be considered by the Board may include, without limitation, the use of the existing parking spaces by residents of the #zoning lot#, the availability of parking in the surrounding area and the proximity of public transportation. The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

73-433 - Reduction of existing parking spaces for qualifying senior housing

LAST AMENDED

12/5/2024

For #zoning lots# outside the boundaries shown in Appendix I with #buildings# containing #qualifying senior housing# in receipt of a certificate of occupancy prior to March 22, 2016, the Board of Standards and Appeals may permit a reduction in the number of #accessory# off-street parking spaces required for such #affordable independent residences for seniors# prior to March 22, 2016, provided that the Board finds that:

- (a) such reduction will facilitate an improved site plan;
- (b) any new #dwelling units# created on the portion of the #zoning lot# previously occupied by such parking spaces will be #income-restricted housing units#;
- (c) such reduction will not cause traffic congestion; and
- (d) such reduction will not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#.

Any permitted reduction shall be in compliance with the parking requirement for #qualifying senior housing# developed after March 22, 2016, as set forth in Section [25-20](#) (REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES), as applicable.

Factors to be considered by the Board may include, without limitation, the use of the existing parking spaces by residents of the #zoning lot#, the availability of parking in the surrounding area and the proximity to public transportation. The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
