### **73-431 - Reduction of parking spaces for houses of worship**

---

LAST AMENDED

9/9/2004

In all districts, the Board of Standards and Appeals may permit a waiver of, or a reduction in, the number of required #accessory# off-street parking spaces for houses of worship, provided:

- (a) the house of worship will be operated or utilized in such a manner as to reduce demand for on-site parking; and
- (b) such reduction is commensurate with the reduced demand for on-site parking.

Factors to be considered by the Board may include, without limitation, the size of the congregation, the frequency and time of worship services and other events, and the proximity of public transportation. The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

### **73-432 - Reduction of parking spaces for places of assembly**

---

LAST AMENDED

6/6/2024

In all #Commercial# and #Manufacturing Districts#, the Board of Standards and Appeals may permit a reduction in the number of #accessory# off-street parking spaces required under the provisions of Sections [25-31](#), [36-21](#) or [44-21](#) (General Provisions) for #uses# in parking requirement category B1 whenever such #uses# are located on the same #zoning lot# as other #uses#, proportionate to the extent that the Board finds:

- (a) that the spaces #accessory# to such other #uses# will remain available for #use# by persons visiting the place of assembly during the entire period that such place of assembly remains in #use#; and
- (b) that, in accordance with submitted schedules of the times of operation for all #uses# on the #zoning lot#, there will be no conflict in the #use# of such #accessory# off-street parking spaces, and that the provision of the full quota of required off-street parking spaces for places of assembly is therefore not needed. The permit to reduce such spaces shall be automatically revoked whenever there is a change in the nature of the conditions upon which such reduced requirements were based, including changes in #use#, availability of spaces or hours of operation.

### **73-433 - Reduction of existing parking spaces for income-restricted housing units**

---

LAST AMENDED 3/22/2016

For #zoning lots# within the #Transit Zone# with #buildings# containing #income-restricted housing units# in receipt of a certificate of occupancy prior to March 22, 2016, the Board of Standards and Appeals may permit a waiver of, or a reduction in,

the number of #accessory# off-street parking spaces required for such #income-restricted housing units# prior to March 22, 2016, provided that the Board finds that such waiver or reduction will:

- (c) not cause traffic congestion; and
- (d) not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#.

Factors to be considered by the Board may include, without limitation, the use of the existing parking spaces by residents of the #zoning lot#, the availability of parking in the surrounding area and the proximity of public transportation. The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

### **73-434 - Reduction of existing parking spaces for affordable independent residences for seniors**

---

LAST AMENDED 3/22/2016

For #zoning lots# outside the #Transit Zone# with #buildings# containing #affordable independent residences for seniors# in receipt of a certificate of occupancy prior to March 22, 2016, the Board of Standards and Appeals may permit a reduction in the number of #accessory# off-street parking spaces required for such #affordable independent residences for seniors# prior to March 22, 2016, provided that the Board finds that:

- (a) such reduction will facilitate an improved site plan;
- (b) any new #dwelling units# created on the portion of the #zoning lot# previously occupied by such parking spaces will be #income-restricted housing units#;
- (c) such reduction will not cause traffic congestion; and
- (d) such reduction will not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#.

Any permitted reduction shall be in compliance with the parking requirement for #affordable independent residences for seniors# developed after March 22, 2016, as set forth in Section 25-252.

Factors to be considered by the Board may include, without limitation, the use of the existing parking spaces by residents of the #zoning lot#, the availability of parking in the surrounding area and the proximity to public transportation. ### **73-435 - Reduction of parking spaces for other government-assisted dwelling units**

---

LAST AMENDED 3/22/2016

In all districts in the #Transit Zone#, the Board of Standards and Appeals may permit a waiver of, or reduction in, the number of required #accessory# off-street parking spaces required for government-assisted #dwelling units# subject to restrictions on rents in #developments# or #enlargements#, provided that the conditions and findings set forth in this Section are met.

As a condition for such waiver or reduction, at least 20 percent of all #dwelling units# in such #development# or #enlarged building# shall be #income-restricted housing units#, and an additional 30 percent of all #dwelling units# in such #development# or #enlarged building# shall be subject to a legally binding restriction limiting rents as prescribed by a City, State, or Federal agency, law, regulation, or regulatory agreement, for a period of not less than 30 years.

In order to grant such permit, the Board shall find that such waiver or reduction will:

- (b) not cause traffic congestion; and
- (c) not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#.

The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
