## 73-69 - Rear Yard Modifications

LAST AMENDED

4/30/2008

The Board of Standards and Appeals may permit modifications to the #rear yards# required pursuant to Sections 23-344, 24-393, 33-303 or 43-313 (For zoning lots with multiple rear lot lines) for #zoning lots# existing on April 30, 2008, provided the following findings are made:

- (a) that due to the irregular shape of the #zoning lot#, compliance with the #rear yard# regulations would create site planning constraints and adversely affect the layout and development of the site; and
- (b) that the requested reduction in #rear yard# depth is the least amount necessary to grant relief.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
