77-321 - Provisions governing off-street parking for residences

LAST AMENDED
2/2/2011

The percentage requirements for #accessory# off-street parking for #residences# applicable to each portion of the #zoning lot# shall be multiplied by the percentage of the total #lot area# of the #zoning lot# to which each such requirement applies. The sum of the products obtained shall be the percentage requirement applicable to #residences# on such #zoning lot#. Such off-street parking spaces may be located anywhere on the #zoning lot# without regard to district boundaries, provided that such spaces shall conform to all the other applicable provisions of this Resolution.
