74-06 - Additional Considerations for Special Permit Use and Bulk Modifications

LAST AMENDED
6/6/2024

Where a special permit application would allow a significant increase in #residential# #floor area# and the special #floor area# requirements in #Mandatory Inclusionary Housing areas# of Section 27-131 (Mandatory Inclusionary Housing) are not otherwise applicable, the City Planning Commission, in establishing the appropriate terms and conditions for the granting of such special permit, shall apply such requirements where consistent with the objectives of the Mandatory Inclusionary Housing program as set forth in Section 27-12 (General Provisions). However, where the Commission finds that such special permit application would facilitate significant public infrastructure or public facilities addressing needs that are not created by the proposed #development#, #enlargement# or #conversion#, the Commission may modify the requirements of Section 27-131.
