78-241 - Location of commercial uses

LAST AMENDED 6/6/2024

For any #large-scale residential development#, the City Planning Commission, by special permit, may allow #residential# and non-#residential uses# to be arranged within a #building# without regard for the regulations set forth in Section 32-42 (Location Within Buildings) when terracing is required because of unusual topographic conditions in a #large-scale residential development# having a minimum area of 20 acres.
