(a) that such off-street parking spaces or bicycle parking spaces will be conveniently located in relation to the #use# or #uses# to which such spaces are #accessory#;

(b) that such location of the off-street parking spaces or bicycle parking spaces will permit better site planning and will thus benefit both the owners, occupants, employees, customers, residents or visitors of the #large-scale community facility development# and the City as a whole; and

(c) that such location of the off-street parking spaces or bicycle parking spaces will not increase the number of spaces in any single #block# or the traffic drawn through any one or more of the nearby local #streets# in such measure as to affect adversely other #zoning lots# outside the #large-scale community facility development# or traffic conditions in the surrounding area.

Whenever required off-street parking spaces or bicycle parking spaces are authorized to be located without regard for #zoning# #lot lines# in accordance with the provisions of this Section, the number of spaces required for each #building# or #use# shall be kept available for such #building# or #use# throughout its life.
