For #non-profit hospital staff dwellings# in #large-scale community facility developments# in Manhattan Community Board 8, the City Planning Commission, may by special permit, allow:

- (a) Temporary occupancy of #dwelling units# by outpatients of the non-profit or voluntary hospital or by families visiting hospitalized patients provided the following findings are made:
 - (1) that the density and transient nature of the population housed in such #dwelling units# will not impair the essential character, future use or development of the surrounding area; or impair the security of the hospital staff residing in the #building#;
 - (2) that such occupancy will neither create nor contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian flow; and
 - (3) that the number of such #dwelling units# so occupied is less than 50 percent of the total number of #dwelling units# in the #building#.

- (b) Ambulatory diagnostic or treatment health care facilities listed in Use Group III(B) on the third floor of such #buildings# in C1 Districts, provided the following findings are made:
