## 85-00 - GENERAL PURPOSES

---

LAST AMENDED

8/21/1980

The "Special United Nations Development District" established in this Resolution is designed to promote and protect public health, safety, general welfare and amenity. These general goals include, among others, the following specific purposes:

- (a) to preserve, protect and promote the character of the Special United Nations Development District adjacent to the headquarters of the United Nations, an attraction which helps the City of New York to maintain its preeminent status as a center for international organizations, as an office headquarters center and a cosmopolitan residential community;
- (b) to facilitate the continued growth of the programs and activities of the United Nations and to help assure the retention of the United Nations headquarters in the City of New York;
- (c) to encourage the provision of suitable office facilities for the United Nations, missions of member nations of the United Nations, and for non-governmental organizations related to the United Nations, in an attractive environment within a reasonable distance of the United Nations;
- (d) to encourage the provision of housing suitable for personnel of delegations and members of the United Nations staff within a reasonable distance of the United Nations;
- (e) to encourage the provision of hotel accommodations in the immediate vicinity of the United Nations suitable for visiting heads of state and other dignitaries attending the United Nations;
- (f) to encourage the provision of community facilities, meeting rooms, and other facilities suitable for United Nations-related uses and purposes;
- (g) to alleviate vehicular and pedestrian traffic congestion in the vicinity of the United Nations;
- (h) to promote coordinated redevelopment of the area contiguous to the United Nations in a manner consistent with the foregoing objectives which are an integral element of the comprehensive plan of the City of New York;
- (i) to provide freedom of architectural design in accommodating facilities for the United Nations and supporting activities within multi-use structures which produce more attractive and economic development; and
- (j) to promote the most desirable use of land in this area in accordance with a well-considered plan to promote the special character of the district and its peculiar suitability for uses related to the United Nations and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues.

## 85-02 - General Provisions

---

LAST AMENDED

8/21/1980

In harmony with the general purpose and intent of this Resolution and the general purposes of the #Special United Nations Development District# and in accordance with the provisions of this Chapter, the existing district regulations are superseded and replaced by the regulations applying to a C5-3 District, except as modified by the provisions of this Chapter, for construction of any #development# in the #Special United Nations Development District#, provided that the #development# is undertaken in accordance with a development plan approved by the City Planning Commission and the Board of Estimate, which plan comprises #zoning lots# having a total area of at least 1.5 acres to be #developed# at one time or in stages, and that such #development# is undertaken by or with the consent of the party proposing such plan, and further provided that the Chairperson of the City Planning Commission certifies:

- (a) for #development# commencing before January 1, 1980, that the final plans generally comply with the design concept dated January 6, 1970, on file with the Commission; or
- (b) for #development# commencing after January 1, 1980, that the final plans generally comply with the amended design concept dated April 30, 1980, on file with the Commission.

## 85-03 - Modifications of Use Regulations

---

LAST AMENDED

6/6/2024

In addition to the #uses# permitted in a C5-3 District, auditoriums listed under Use Group VIII shall be permitted with any capacity, and #group parking facilities# with a capacity of 380 parking spaces shall be permitted where #accessory# to #residences#, #transient hotels#, foreign missions or United Nations-related #uses#. All such #commercial# #uses# may be located in any #mixed building# and anywhere within such #building# without regard to Section [32-42](#) (Location Within Buildings).

---

## 85-04 - Modifications of Bulk Regulations

---

LAST AMENDED

12/5/2024

Notwithstanding any other provisions of this Resolution the following modifications of #bulk# regulations are hereby granted for any #development# which the Chairperson of the City Planning Commission certifies will generally comply with the concept on file with the City Planning Commission dated January 6, 1970, for #development# commencing before January 1, 1980, or the amended design concept on file with the Commission dated April 30, 1980, for #development# commencing after January 1, 1980.

In no event shall the maximum #floor area ratio# for the #Special United Nations Development District#, taken as a whole, exceed 15.0. The #floor area ratio# of a #residential building# or the #residential# portion of a #mixed building# shall not exceed the maximum #floor area ratio# set forth in Sections [34-112](#), [23-22](#) and [35-31](#).

The #development# may include land in more than one #block# and the total permitted #floor area# of all #zoning lots# within such #development# may be distributed without regard for #zoning lot lines# or any #streets# separating the #zoning lots# and the #buildings# comprising such #development# may be located without regard for the applicable height and setback regulations.

In no event shall any #development# on the south side of 44th Street within the #Special United Nations Development District# contain more than 200,000 square feet of #floor area#, and no more than 61,000 square feet of #floor area# may be transferred for any such #development#.

At the time of any transfer of #floor area# in the #Special United Nations Development District#, there shall be recorded in the land records, and indexed against each tax lot from which #floor area# is removed, an instrument removing such #floor area# and stating the maximum permissible #floor area# remaining on the tax lot after deducting the #floor area# transferred; and there shall be recorded in the land records, and indexed against each tax lot to which #floor area# is added, an instrument evidencing the transfer of the #floor area# to the tax lot benefitted and identifying by tax block and lot number and description the tax lot from which the #floor area# has been transferred. A certified copy of such instruments shall be filed with the Commission upon recordation thereof.

For the purpose of any transfer of #floor area# in the #Special United Nations Development District#, the total permitted #floor area# of any tax lot from which #floor area# is transferred shall be the maximum #floor area# permitted under this Chapter for a #commercial building#, less the total #floor area# of any #building# on the tax lot.

The minimum front setback of a #building# on any portion of 45th Street within the #Special United Nations Development District#, more than 100 feet from First Avenue, shall be not less than 10 feet from the #street line#, and required #yards# within the #Special United Nations Development District# shall not be less than 20 feet in depth.

For a #residential building# or the #residential# portions of any mixed-#use# #building# located on the north side of 44th Street within the #Special United Nations Development District#, the provisions of Sections [23-343](#) (Rear yard equivalent requirements) and [23-371](#) (Distance between buildings) shall not apply. Notwithstanding anything in this Resolution to the contrary, the minimum distance between a #residential# portion of a #building# and any other #building# on the same #zoning lot# within the #Special United Nations Development District# shall be not less than 28 feet.

For any #building# containing #residences# within the #Special United Nations Development District#, the applicable density requirements may be modified.

As a condition for granting such authorizations, in each case the Commission shall make the following findings:

- (a) that the land use intensity and distribution of #bulk# of the total #development# permit better site planning and significantly achieve the specific purposes for which the #Special United Nations Development District# is established; and
- (b) that all new #buildings or other structures# erected within the #Special United Nations Development District# are in compliance with the special height requirements set forth in Section [85-05](#) of this Chapter.
