96-105 - Demolition of buildings

LAST AMENDED

12/5/2024

No demolition permit or alteration permit for partial demolition involving a decrease of more than 20 percent in the amount of #residential# #floor area# in a #building# shall be issued by the Department of Buildings for any #building# containing #dwelling units# within the Preservation Area, unless it is an unsafe #building# and demolition is required pursuant to the provisions of Title 28, Chapter 2, Article 216 of the New York City Administrative Code.

However, the City Planning Commission, by a special permit, may allow demolition of #buildings# containing #dwelling units# or #rooming units# other than unsafe #buildings# within the Preservation Area, provided that the Commission makes the following findings:

- (a) that the existing #building#:
 - (1) is not eligible for rehabilitation under any active publicly-aided program under which funds are available; or
 - (2) is to be substantially preserved and requires an alteration permit to allow the removal and replacement of 20 percent or more of the #floor area#.
- (b) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to demolition, the owner shall have notified the applicable governmental agency of its intention to demolish the #building#.
- (c) that the Department of Housing Preservation and Development has issued a #certification of no harassment# or that the owner has complied with paragraph (d) of Section [96-110](#); and
- (d) that an acceptable program for #development# of the #zoning lot# is submitted to the Commission which indicates that to the extent permitted by the provisions of Section [96-10](#) (PRESERVATION AREA), the number of new #dwelling units# to be constructed is at least equal to the number of #dwelling units# to be demolished and that the #floor area# of the #development# containing #residences# is at least equal to the #floor area# of the #dwelling units# to be demolished and that site development will commence within a period of twelve months from completion of relocation.

The Commission may prescribe appropriate conditions and safeguards to ensure that any interim #use# proposed on the site prior to any construction is in conformance with the purposes of this Special District.
