94-094 - Authorization provisions for transfer of development rights to receiving lots

LAST AMENDED
2/2/2011

The City Planning Commission, on application after public notice and hearing, may authorize the addition of all or any portion of the #development rights# from a #granting lot# to the permitted #floor area# of a #receiving lot#, provided that:

(a) the maximum #floor area# for any #development# on a #receiving lot# does not exceed the maximum #floor area# permitted by Section 94-092 (Maximum floor area ratio);

(b) the #development# shall aid in achieving the general purposes and intent of this Chapter as set forth in Section 94-00 (GENERAL PURPOSES);

(c) the design of the #development# shall not impair the character of the surrounding area or its future development;

(d) the distribution of the #bulk# on the #receiving lot# permits adequate access of light and air to surrounding #streets# and properties;

(e) the traffic created by the #development# will not create or contribute to serious traffic congestion and will make adequate provisions for unconstrained pedestrian circulation; and

(f) the requirements set forth in Sections 94-093 (Transfer of development rights from granting lots), 94-12 (Recordation) and 94-13 (Certification) are satisfied.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
