## 142-51 - Required Accessory Parking Spaces for Residences

---

LAST AMENDED 8/8/2018

Except for within Subdistrict F, as shown on Map 1 (Special Inwood District-Subdistricts and Subareas) in the Appendix to this Chapter, the requirements of Sections [25-23](#) (Requirements Where Group Parking Facilities Are Provided) are modified to require #accessory# #residential# off-street parking spaces for a minimum of 20 percent of new #residences#. The number of #accessory# off-street parking spaces required may be reduced or waived as set forth in the underlying district regulations, including as set forth in Sections [25-251](#) through 25-253.

Within Subdistrict F, for #buildings developed# pursuant to the Quality Housing #bulk regulations#, if at least 20 percent of the #residential# #floor area# of the #development# consists of #income-restricted housing units#, the requirements of Sections [25-23](#) are modified to require #accessory# #residential# off-street parking spaces for a minimum of 20 percent of new #residences#. For purposes of this Section, the definition of #income-restricted housing units# shall be modified such that the #income-restricted housing units# must be affordable to households with incomes at or below 60 percent of the #income index#. The number of #accessory# off-street parking spaces required may be reduced or waived as set forth in the underlying district regulations, including as set forth in Sections [25-251](#) through 25-253. Prior to issuance of a building permit for such #development#, the Department of Housing Preservation and Development shall certify to the Department of Buildings that such #development# complies with the affordability provisions of this Section.
