109-02 - General Provisions

LAST AMENDED

10/7/2021

In harmony with the general purposes and intent of this Resolution and the general purposes of the #Special Little Italy District# and in accordance with the provisions of this Chapter, certain specified regulations of the districts on which the #Special Little Italy District# are superimposed are made inapplicable, and special regulations are substituted therefore in this Chapter.

Except as modified by the express provisions of this Special District, the regulations of the underlying zoning district remain in effect. For the purposes of this Chapter, the provisions of Sections [23-15](#), [23-20](#) and [33-13](#) are made inapplicable.

For #transit-adjacent sites# or #qualifying transit improvement sites#, as defined in Section [66-11](#) (Definitions), in the event of a conflict between the provisions of this Chapter and the provisions of Article VI, Chapter 6 (Special Regulations Applying Around Mass Transit Stations), the provisions of Article VI, Chapter 6 shall control.

The use of the public #streets# and sidewalks for the maintenance of #sidewalk cafes#, outdoor cafes or any other structures shall require the separate approval of the Board of Estimate, which may be granted upon such terms and conditions as the Board of Estimate may deem appropriate.

Within the Special District, in accordance with a comprehensive survey of its structures, #buildings# of special significance to the community and City as a whole, have been identified and are listed in Appendix B. Such #buildings# are unique either because they are socially or traditionally significant or because they are important physical influences in the life and image of the community. Such #buildings# shall not be demolished or have their external architectural features altered except as set forth in Section [109-52](#) (Special Permit Provisions). No demolition permit or alteration permit for alterations which may affect the exterior of such #buildings# shall be issued by the Department of Buildings for any such #building# except as permitted by the City Planning Commission pursuant to Section [109-52](#) (Special Permit Provisions) unless it is an unsafe #building# and demolition is required pursuant to the provisions of Title 28, Chapter 2, Article 216 of the New York City Administrative Code.
