119-02 - General Provisions

LAST AMENDED

5/12/2021

In harmony with the general purpose and intent of this Resolution and the general purposes of the #Special Hillside Preservation District#, the regulations of the districts upon which this Special District is superimposed are supplemented or modified in accordance with the provisions of this Chapter. Except as modified by the express provisions of this Chapter, the regulations of the underlying districts remain in effect.

Any #development#, #enlargement# or #site alteration# on the #buildable area# of a #zoning lot# where the #average percent of slope# is less than 10 percent shall be regulated by the provisions set forth in Section [119-10](#) (PROVISIONS REGULATING TIER I SITES). Any #development#, #enlargement# or #site alteration# on the #buildable area# of a #zoning lot# having an #average percent of slope# equal to or greater than 10 percent shall be governed by the provisions set forth in Section [119-20](#) (PROVISIONS REGULATING TIER II SITES).

No #development#, #enlargement# or #site alteration# is permitted within any #area of no disturbance# on a #zoning lot# or other tract of land. #Areas of no disturbance# shall remain in their natural state, except:

- (a) for #steep slopes# or #steep slope buffers#, an authorization may be granted by the City Planning Commission, pursuant to Section [119-30](#) (SPECIAL REVIEW PROVISIONS);
- (b) vegetation and #topsoil# may be removed from a #steep slope buffer# during construction on a #Tier I site#, provided that the #development#, #enlargement# or #site alteration# complies with the requirements of Sections [119-215](#) (Landscaping controls to preserve trees, shrubs and ground cover), [119-217](#) (Tier II controls during construction) and [119-22](#) (Tier II Submission

Requirements); or

(c) in accordance with a tree protection plan.

Those portions of a zoning lot having areas of no disturbance, however, may count as lot area for the purposes of the applicable regulations on yards, floor area ratio, open space ratio or maximum number of dwelling units or rooming units.

The following uses, including enlargements to such uses, shall not be permitted within the Special Hillside Preservation District unless an authorization is granted by the Commission pursuant to Section [119-30](#): community facility uses, group parking facilities of 30 cars or more, whether or not they are necessary to satisfy parking requirements.

When the Special Hillside Preservation District is designated on a public park, or portion thereof, site alterations, the construction of new park-related facilities such as, but not limited to, roadways, parking lots, comfort stations, storage facilities, swimming pools, eating establishments, tennis courts, amphitheaters and stadiums, and improvements to existing park-related facilities, shall not be subject to the provisions of Sections [119-10](#) or [119-20](#) but shall require an authorization from the Commission, pursuant to Section [119-31](#) (Authorizations).

In flood zones, in the event of a conflict between the provisions of this Chapter and the provisions of Article VI, Chapter 4 (Special Regulations Applying in Flood Zones), the provisions of Article VI, Chapter 4 shall control.
