## 128-34 - Maximum Building Height

---

LAST AMENDED

12/5/2024

After the required setback, a #building# may rise to the maximum #building# height set forth in Section [23-43](#) (Height and Setback Requirements in R6 Through R12 Districts), inclusive, for the applicable #residential equivalent#. However, in C4-2 Districts, towers shall be permitted as an alternative to such maximum #building# height, where provided in accordance with the provisions of Section [128-35](#) (Towers).
