## 125-35 - Authorization for Height and Setback Modifications

LAST AMENDED 2/2/2011

Within the #Special Southern Hunters Point District#, for any #development# or #enlargement#, the City Planning Commission may modify the regulations set forth in Section 125-30, inclusive, provided the Commission finds that such modifications:

- (a) will result in a better distribution of #bulk# on the #zoning lot# and will not adversely affect access to light and air for surrounding public access areas, #streets# and properties;
- (b) are consistent with the goals of the Special District to provide flexibility of architectural design and encourage more attractive #building# forms; and
- (c) will result in a #development# or #enlargement# that enhances the streetscape and is compatible with development in the surrounding area.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects of the #development# or #enlargement# on the character of the surrounding area.
