## 131-15 - Authorization for Use Modifications

---

LAST AMENDED

6/6/2024

Along #streets# specified on Map 2 (Mandatory Ground Floor Use Requirements) in the Appendix to this Chapter, other than Riegelmann Boardwalk, the City Planning Commission may authorize establishments containing Use Group A, B or C #uses# within #buildings# with a ground floor depth of less than 50 feet upon a finding that the design and operation of such establishments result in an effective and compelling amusement, entertainment or retail space that furthers the goals of the Special District.
