116-633 - Phased development of Waterfront Public Access Area

LAST AMENDED
7/20/2017

For the purposes of applying for an authorization for phased #development# of a #waterfront public access area# in paragraph (c)(1) of Section 62-822 (Modification of waterfront public access area and visual corridor requirements), the #lot area# shall be the portion of the #zoning lot# above water.
