# 101-632 - Waiver of off-street parking and loading requirements

File generated by https://zr.planning.nyc.gov on 11/15/2026

## 101-632 - Waiver of off-street parking and loading requirements

LAST AMENDED
6/28/2004

The Commissioner of Buildings may waive any requirement in this Chapter that #accessory# off-street parking or loading berths be provided where the Commissioner finds that the required parking or loading cannot be provided consistent with Section 101-631 (Restricted access and prohibition on curb cuts).
