101-743 - Accessory off-street loading

LAST AMENDED
2/2/2011

Curb cuts for vehicular access to #accessory# off-street loading berths shall not be located on Atlantic Avenue or on a #street# within 50 feet of its intersection with the #street line# of Atlantic Avenue. However, the City Planning Commission may, by authorization, permit a curb cut on Atlantic Avenue, provided that:

(a) such curb cut is a relocation of an existing curb cut on the #zoning lot#; and

(b) such curb cut will not unduly inhibit surface traffic and pedestrian flow along Atlantic Avenue.

The loading berth requirements of Section 25-72 or 36-62 shall not apply to any #development# for which the Commissioner of Buildings has certified that there is no way to provide the required loading berths with access to a #street# in conformity with the provisions of this Section.

All #accessory# off-street loading berths shall be enclosed within a #building#.
