## 107-43 - Maximum Height for Buildings or Structures

---

LAST AMENDED

12/5/2024

Subject to the requirements for maximum height of walls and required setbacks in Sections [23-42](#), [24-52](#) or [33-43](#), no #building or other structure# shall exceed a height of 50 feet unless modified by a special permit of the City Planning Commission, pursuant to Section [107-73](#) (Exceptions to Height Regulations).
