File generated by https://zr.planning.nyc.gov on 11/13/2026

44-233 - Waiver of requirements for certain small zoning lots or establishments

LAST AMENDED
6/6/2024

M1 M2 M3

In all districts, as indicated, the parking requirements of Section 44-21 (General Provisions) for certain #uses# shall be waived in accordance with this Section:

(a) For #uses# in PRC-D1, no #accessory# off-street parking requirements shall apply where either the #floor area# allocated to such #use# is less than 7,500 square feet or the number of employees is fewer than 15;

(b) For #uses# in PRC-D2, no #accessory# off-street parking requirements shall apply where either the #floor area# allocated to such #use# is less than 10,000 square feet or the number of employees is fewer than 15; and

(c) For camps, overnight or day, parking requirements, no #accessory# off-street parking requirements shall apply where either the #lot area# is less than 10,000 square feet or the number of employees is fewer than 10.
