32-201 - Use Group X - general use allowances

LAST AMENDED 6/6/2024

The following table includes #uses# classified as Use Group X and sets forth their allowances by #Commercial District#. Notations found in the table are further described in Section 32-10 (USE ALLOWANCES).

Included in the #use# table, for reference purposes only, are the three-digit subsector categories from the manufacturing sector (sectors 31-33) of the 2022 North American Industry Classification System (NAICS). For each #use# under the three-digit subsector categories in manufacturing, the four-digit industry group, five-digit NAICS industry or six-digit U.S. detail code is referenced. However, where such four-digit, five-digit or six-digit categories are not referenced after a #use#, the specified #use# is not a specific NAICS industry sector category or includes a group of existing categories.
