74-121 - Residential Use in C4-1 Districts in Staten Island

LAST AMENDED

6/6/2024

In the Borough of Staten Island, in C4-1 Districts that occupy at least four acres within a #block# and in other C4-1 Districts for #zoning lots# that had a #lot area# greater than 20,000 square feet on December 21, 2005, or on any subsequent date, the City Planning Commission may permit #residences#, provided such #residences# comply with the #bulk# regulations for R5 Districts as set forth in Article II, Chapter 3, or Article III, Chapter 5, as applicable.

In order to grant such permit, the Commission shall find that such #residences# are part of a superior site plan, such #residences# are compatible with the character of the surrounding area and that the #streets# providing access to such #residences# are adequate to handle the traffic generated thereby or provision has been made to handle such traffic.

The Commission may prescribe appropriate safeguards and conditions to minimize the adverse effect of any #residences# permitted under this Section on the character of the surrounding area.

74-122 - Accessory outdoor swimming pools for residences

LAST AMENDED

6/6/2024

The City Planning Commission may permit, as #accessory# to a #use# in Use Group 2 other than a #single-family# or #two-family residence#, an outdoor swimming pool to be located not less than 50 feet from any #lot line#, provided that such pool is so located as not to impair the essential character of the residential neighborhood.

The Commission may require that the pool be appropriately screened from other areas on the same or adjacent #zoning lots#. In special circumstances where the Commission finds that the design operates as a suitable buffer or the conditions of topography so warrant, the minimum distance of 50 feet may be reduced or waived.

The Commission shall in each case give due consideration to the effect of such location on the adjacent #residences# and the #street# and may impose appropriate conditions and safeguards.
