#### 146-40 - SPECIAL APPROVALS

LAST AMENDED 5/28/2025

#### 146-41 - Authorization for a Public Plaza

LAST AMENDED 5/28/2025

In C6-3A, C6-3X and M1-4A/R9A Districts, for #zoning lots# with a #lot area# of at least 30,000 square feet, the City Planning Commission may authorize an increase in the maximum #floor area ratio# where a #public plaza# is provided on the #zoning lot# in accordance with the provisions of Section 37-70 (PUBLIC PLAZAS), inclusive.

In conjunction with such #floor area# bonus, the Commission may authorize modifications to the applicable #bulk# regulations of this Resolution, or to the regulations governing #public plazas# in Section <u>37-70</u>, inclusive.

In order to grant such authorization, the Commission shall determine that the conditions and limitations of paragraph (a) and the findings of paragraph (b) are met.

### (a) Conditions and limitations

The following conditions and limitations shall apply:

- (1) For the purposes of determining the bonus ratio in #Commercial Districts# with a #residential equivalent# of an R9 District, or in M1 Districts paired with an R9 District, the underlying bonus ratio for a C6-3 District shall apply. The #floor area# bonus resulting from applying such ratio shall not exceed 20 percent of the maximum #floor area ratio# otherwise permitted by the district.
- (2) Modifications to the maximum permitted #building# height shall not result in an increase that exceeds 25 percent of the maximum #building# height otherwise permitted by the applicable district regulations; and
- (3) Modifications to the regulations governing #public plazas# shall be limited to:
  - (i) the basic design criteria set forth in Section <u>37-71</u>, inclusive, other than the area dimensions of Section <u>37-71</u>;
  - (ii) the access and circulation provisions set forth in Section <u>37-72</u>, inclusive, other than hours of access set forth in Section <u>37-727</u>; and
  - (iii) the types and standards for amenities, set forth in Section <u>37-74</u>, inclusive.

#### (b) Findings

The Commission shall find that:

- (1) the public benefit derived from the #public plaza# merits the amount of additional #floor area# being granted pursuant to this Section;
- (2) the #public plaza# will be well-integrated with the overall pedestrian circulation network and contribute to an enhanced streetscape;

- (3) any modifications to #bulk# are the minimum extent necessary to reasonably accommodate the #public plaza# and the additional #floor area# granted pursuant to this Section and will not unduly obstruct access to light and air to surrounding #streets# and properties; and
- (4) any modifications to #public plaza# regulations are the minimum extent necessary, and will better align such #public plaza# regulations with unique site configurations or with the mixed-use character of the neighborhood.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
