(5) any phased portion of the required public access area shall connect directly to either a #street# or an improved public access area; and

(6) a proportionate amount of planting and seating shall be included within each phase.

(b) #Upland connection# phasing

Where an #upland connection# is designated on two or more parcels, and the portion of such #upland connection# located outside of the applicant's parcel has previously been certified as part of a #waterfront public access area#, the Chairperson shall certify that the proposed #upland connection# on the applicant's parcel is consistent with that of the prior certification, including with respect to the proposed amenities and design elements therein.
