98-65 - Transit Facilities

LAST AMENDED
10/27/2010

The provisions of paragraph (b) of Section 93-65 (Transit Facilities) shall apply to any subway-related #use# on a #zoning lot# that includes the volume bounded by a line 37 feet east of and parallel to Eleventh Avenue, West 26th Street, a line 100 feet east of and parallel to Eleventh Avenue, and a line 95 feet south of and parallel to West 26th Street, up to a height of 60 feet, as illustrated on the District Map in Appendix A of this Chapter.
