

Zoning Resolution

THE CITY OF NEW YORK

Eric Adams, Mayor

CITY PLANNING COMMISSION

Daniel R. Garodnick, Chair

73-45 - Modification of Off-site Parking Provisions

File generated by <https://zr.planning.nyc.gov> on 8/8/2025

73-45 - Modification of Off-site Parking Provisions

LAST AMENDED

5/8/2013

In all districts, the Board of Standards and Appeals may modify the provisions regulating the location of #accessory# off-street parking spaces provided off the site, in accordance with the provisions of this Section which are applicable in the specified district. However, in no event shall #accessory# off-street parking spaces be permitted off-site in a #public parking garage#.

This Section shall not apply to the #Manhattan Core# where the regulations set forth in Article I, Chapter 3, shall apply.

In all cases, the Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

73-451 - For residences

LAST AMENDED

2/2/2011

The Board of Standards and Appeals may permit off-site spaces #accessory# to #residences# or to #non-profit hospital staff dwellings# to be located in any district except an R1 or R2 District, or at a greater distance from the #zoning lot# than the maximum distance specified in the applicable district regulations, provided that the following special findings are made:

- (a) that the required #accessory# on-street parking spaces cannot reasonably be provided on the #zoning lot# because of physical conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions;
- (b) that within the maximum permitted radius for off-site parking or within a district other than a #Residence District#, there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces because such sites are occupied by substantial improvements;
- (c) that where such spaces are located at a greater distance from the #zoning lot# than the maximum distance permitted by the district regulations, such distance is not greater than as shown in the following table for the specified districts; and

Maximum Distance (in feet)	Districts
1,200	R3 R4 R5 R6 R7-1 R7B C1-1 C1-2 C1-3 C2-1 C2-2 C2-3 C3 C4-1 C4-2 C4-3
1,500	R7-2 R7A R7X R8 R9 R10 C1-4 C1-5 C1-6 C1-7 C1-8 C1-9 C2-4 C2-5 C2-6 C2-7 C2-8 C4-4 C4-5 C4-6 C4-7 C5 C6

- (d) that where such off-site spaces are located in a #Residence District#, they are so located as not to impair the essential character or the future use or development of the nearby residential neighborhood.

73-452 - For community facilities in Residence Districts

LAST AMENDED

6/27/1963

The Board of Standards and Appeals may permit off-street parking spaces #accessory# to a #community facility# #use# other than a #non-profit hospital staff dwelling#, which #use# is located in an R1, R2, R3 or R4 District, to be provided off-site and located in any district, or may permit off-street parking spaces #accessory# to a #community facility# #use# other than a #non-profit hospital staff dwelling#, which #use# is located in any other #Residence District#, to be provided off-site and located in an R1, R2, R3 or R4 District or located in any other #Residence District# at a greater distance from the #zoning lot# than the maximum distance specified in Section [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), provided that in such instances, all such spaces shall be not further than 600 feet from the nearest boundary of the #zoning lot# containing such #use#, and provided further that the following special findings are made:

- (a) that where such spaces are located in an R1 or R2 District, the #community facility# #use# to which they are #accessory# is a #use# permitted as-of-right in such district;
- (b) that there is no way to arrange such spaces on the same #zoning lot# as such #use#;
- (c) that such spaces are so located as to draw a minimum of vehicular traffic to and through #streets# having predominantly #residential# frontage; and
- (d) either that such spaces are located on an adjoining #zoning lot# or a #zoning lot# directly across the #street# from such #use# or, if such spaces are not so located, that there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces on an adjoining #zoning lot# or a #zoning lot# directly across the #street# from such #use# or in a location where such off-site spaces would be permitted as-of-right, because such sites are occupied by substantial improvements.

73-453 - For non-residential uses in Commercial or Manufacturing Districts

LAST AMENDED

6/27/1963

For non-#residential uses#, other than #non-profit hospital staff dwellings#, the Board of Standards and Appeals may extend the maximum permitted radius for off-site parking spaces located in #Commercial# or #Manufacturing Districts#, as specified in Sections [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), [36-43](#) (Off-site Spaces for Commercial or Community Facility Uses) or [44-32](#) (Off-site Spaces for All Permitted Uses), from 600 to 1,200 feet, whenever the Board finds:

- (a) that the required #accessory# off-street parking spaces cannot reasonably be provided on the #zoning lot# because of physical conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions; and
- (b) that, within 600 feet of a boundary of the #zoning lot#, there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces because such sites are occupied by substantial improvements.

73-454 - For houses of worship

The Board of Standards and Appeals may modify, as applicable, the provisions of Sections [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), [36-43](#) (Off-site Spaces for Commercial or Community Facility Uses) or [44-32](#) (Off-site Spaces for All Permitted Uses), relating to the maximum permitted distance of the location of #accessory# off-street parking spaces for houses of worship, provided that in such instances all such spaces shall be not further than 1,000 feet from the nearest boundary of the #zoning lot# containing such house of worship, upon finding that:

- (a) such spaces conform to all applicable regulations of the district in which they are located; and
- (b) the location of such spaces will not result in undue traffic congestion in the area.

The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
