74-51 - Off-street Parking Requirement for Youth-oriented or Senior Citizen-oriented Community Centers and Non-profit Neighborhood Settlement Houses

LAST AMENDED

6/6/2024

In C1-2 and C2-2 Districts, for youth-oriented or senior citizen-oriented community centers and non-profit neighborhood settlement houses, the City Planning Commission may permit modifications of the parking requirement of Section [36-21](#), provided the following findings are made:

- (a) that, because of site limitations, such a reduction is necessary for the proper design and operation of such community centers and non-profit neighborhood settlement houses; and
- (b) that available off-site parking and mass transit facilities are adequate to satisfy the additional parking demand generated by such #community facility#.
