74-92 - Bulk Modifications for Museums in M1-5 Districts

LAST AMENDED

6/6/2024

For a #building# containing a museum listed under Use Group III(B), in an M1-5 District, on a #zoning lot# over which the High Line (as defined in Section [98-01](#)) passes, the Commission may modify height and setback regulations, provided that such modifications:

- (a) provide a better distribution of #bulk# on the #zoning lot#;
- (b) result in a better relationship of the #building# to open areas including the High Line, adjacent #streets# and surrounding properties;
- (c) provide adequate light and air for #buildings# on the #zoning lot# and do not adversely affect adjacent #zoning lots# by unduly restricting access to light and air to surrounding #streets# and properties; and
- (d) result in a #building# containing a museum #use# that facilitates the public's use and enjoyment of the High Line.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.
