128-34 - Maximum Building Height

LAST AMENDED
12/5/2024

After the required setback, a #building# may rise to the maximum #building# height set forth in Section 23-43 (Height and Setback Requirements in R6 Through R12 Districts), inclusive, for the applicable #residential equivalent#. However, in C4-2 Districts, towers shall be permitted as an alternative to such maximum #building# height, where provided in accordance with the provisions of Section 128-35 (Towers).
