## 146-12 - Certification for an Alternate Means of Compliance for Mixed Buildings

LAST AMENDED
5/28/2025

In M1 Districts paired with a #Residence District#, the Chairperson of the City Planning Commission shall allow, by certification, an alternative to the provisions of paragraph (b) of Section 123-22 (Additional Conditions for Certain Uses) where applicable #commercial# and #manufacturing# #uses# are proposed to locate in the same #building# as, or share a common wall with, a #building# containing a #residence# or a #community facility# #use# with sleeping accommodations.

In order for the Chairperson to make such certification, the applicant shall submit a report, from a licensed architect or engineer, demonstrating that specific physical design standards to be implemented in the #building# design, or other environmental requirements, will protect occupants of such #residences# or #community facility# #uses# with sleeping accommodations from any potential hazardous materials, noise or air quality associated with such #commercial# or #manufacturing# #uses#.

An (E) designation shall be listed in APPENDIX C of this Resolution and bind the owners, successors, and assigns to comply with Section 11-15 (Environmental Requirements) and the specific building design or other environmental requirements listed in the report.
